

Plant Superheroes

3rd & 4th Grade

Here at Red Butte Garden, we believe learning is fun and can happen anytime, anywhere. To help continue the fun at home, we've included an outline of the topics we'll study this week at camp as well as a list of additional activities, books, and other resources related to this week's theme. We hope you'll use this to engage with your camper and keep the learning process happening all summer long! Thanks for coming to Summer Camp, and we'll see you soon at the Garden!

CAMP THEME

In this hero filled camp, we'll learn all about our favorite superheroes, and which Red Butte Garden plants and animals share similar characteristics. Each day we'll focus on a different superhero and our garden friends that have the same powers. Along with your favorite champions, be sure to ask your camper about the following:

- **Monday** – Ironman
- **Tuesday** – Black Widow
- **Wednesday** – Hawkeye
- **Thursday** – Ant-Man and The Wasp
- **Friday** – Quicksilver

ACTIVITY IDEAS

- Test your camper's superhero strength with this activity.
[HTTPS://WWW.EDUCATION.COM/ACTIVITY/ARTICLE/SUPERHERO_STRENGTH/8232](https://www.education.com/activity/article/superhero-strength);
- Read about these plant-based superheroes with your camper.
