

Garden Magicians

5th & 6th Grade

Here at Red Butte Garden, we believe learning is fun and can happen anytime, anywhere. To help continue the fun at home, we've included an outline of the topics we'll study this week at camp as well as a list of additional activities, books, and other resources related to this week's theme. We hope you'll use this to engage with your camper and keep the learning process happening all summer long! Thanks for coming to Summer Camp, and we'll see you soon at the Garden!

CAMP DETAILS

From plants that don't like to be tickled and seed pods that explode to plant parasites that smell their prey, nature is full of magic! Discover the magic hidden in the natural world all while learning simple magic tricks sure to amaze your friends and family! Invite them to watch you show off your new skills in a magic showcase performed by you and your fellow campers on the last day of camp.
